Urge Services Of V.O.N. To Continue In Aurora Disbands End Of March

Public expression has been heard by the Aurora town council to continue the services of the Victorian Order of Nurses. The order had decided to end its activities on March 31. Last Monday night the council decided to call a meeting of the V.O.N. board, members of council and the York county health unit director to discuss carrying on the service.

Councillor Davies and Cook were named as a committee to gather as many statistics as possible about the past V.O.N. activities for the next meeting of council.

"The first question I asked when the county health unit was being brought in was about the disposition of the V.O.N.," said Councillor Davies. "I regret that I did not stress that more."

"Apparently the V.O.N. board is disbanding the service for financial reasons," said Reeve A. A. Cook.

"It was understood when the health unit came in that it would not conflict with the V.O.N., the main reason being that the unit would not do any bedside nursing like the V.O.N. does," said Mayor Alex Bell.

One suggestion was that Aurora get together with King and Whitchurch townships and New-

MAIN ST. BLOCKS RECENTLY SOLD TO TORONTO DOCTOR

Two real estate transactions recently resulted in the sale of two valuable Main St. properties in Newmarket. Dr. Bernard Littel, a Toronto medical specialist has purchased both buildings.

The two buildings sold were the Wesley block, corner of Main and Botsford Sts. and the former Royal Hotel building near Mil-lard Ave.

Mrs. Arlene Link, Island Grove real estate agent who sold the Wesley block said, "There seems to be a lot of people interested in Newmarket properties now, especially on Main St. There are persons looking for a few acres for a factory and others are interested in vacant lots for homes," she said.

Reasons which have been suggested for increased speculation in Newmarket properties are the rising real estate prices in Toronto and the prospect of amalgamation in the future.

BYRON BURBIDGE ELECTED PRESIDENT POLICE ASSOCIATION

Chief Constable Byron Burbidge was recently elected president of the York County police association.

First vice president elected was John Shepherd, Markham; second vice president, Chief Constable Fisher Dunham, Aurora; secretary-treasurer, William Hill, Newmarket.

Delegates appointed to the police association convention were John Shepherd and Byron Burbidge. Elected members of the executive board are William Martindale, Toronto, William Meyers, Toronto, and William Langman, Aurora. The association consists of the county police force and members of all municipal forces north of Steele's Corners.

The association's annual Policemen's Ball is being held at the Royal York hotel, Toronto, on Wednesday, April 18. Proceeds go toward the policemen's benevolent fund.

Legion-Sponsored Essay Contest Closing Date Set At March 14

Interest in the Canadian Legion essay contest last year has prompted the Ontario Command to sponsor a contest this year in conjunction with education week.

Letters have gone out to schools in Newmarket announcing two contest divisions for students. Boys and girls in grades 5, 6, 7 and 8 may write approximately 500 words on either Remembrance Day or the Four Freedoms.

TORONTO SUPERINTENDENT

Tells Of Trends Shown By Hope Report

"One purpose of the Hope Commission was to clarify the aims of schools beyond the teaching of skills," said Z. C. Phimister, superintendent of public schools for Toronto in an address to the Newmarket Home and School association. He spoke on some implications arising from the recent Royal Commission report on education.

In praising the Prince Charles school, Mr. Phimister called attention to its many modern facilities, combined so harmoniously within its architectural design.

"Such schools herald the changes in education. We hear from all sides that our schools are not beacons of light, but mirrors of confusion," he said. "There is the world today a great deal of confusion in all realms of thought. The shadow of war is upon us."

"Out of that confusion people have tried to find light. In Britain, even when the lights were

out in the streets they were discussing and thinking about the education of their youth. One year before the war ended their educational act was passed which will serve as a blueprint for education for 50 years to come. The same thing is true in the United States, in the Scandinavian countries and in Ontario. In 1945 a Royal Commission on education consisting of 21 persons was appointed in Ontario. It was working for four and a half years at an estimated total cost of \$300,000," said Mr. Phimister.

The report was handed by Mr. Justice Hope, chairman of the commission, to Premier Leslie Frost on December 21, 1950, but has as yet not been considered or acted upon. Mr. Phimister in his talk, dealt with two changes, organization of schools and program of schools which might result if the report is accepted.

"What is the real purpose of education?" he asked. "Twenty-two persons are employed full-time in Newmarket to teach the

children in the public schools. Their sole task is not to instruct in reading, writing and arithmetic.

"Every society has taught its youth. The North American Indians taught the skills of the tribe, but beyond that they taught an attitude to life which was very important to them . . . that they must never show any signs of pain."

"These qualities of stoicism are not considered important in our present-day society. We have a different attitude toward life which we wish to teach our children. In the Hope Commission, the aims of education beyond the teaching of certain skills have been set forth: to develop the capacity to apprehend and practice basic virtues, to develop the power to think clearly, independently and courageously, to develop talent to understand the views of others and to express one's own views effectively, to develop competence for suitable occupations."

No Decisions On Mechanics Hall, Aurora Leaves It To Committee

The Aurora council has made no decision on the disposal of the Mechanics' Hall. On Monday night it was decided to turn over tenders for the building to the property committee and for consideration of its disposal. The property committee's decision is expected to go on to the finance committee.

Said Reeve Cook, "With all the publicity about this building, maybe we should look at it more carefully. However, I think there should be just as much publicity about the number of other halls available. For recreation there will be a new high school auditorium, church halls, and we will have a public school auditorium, to mention a few."

"If the people want it, they can have it but they should know what they will have to spend on the building to put it in shape," he said.

Mrs. Fielding put a motion forward that the council's publicity committee meet to prepare a brief on the subject.

"I am not in favor of the motion," councillor Davies said. "The council has been elected to act in the best way it can. It's up to council to make the decision."

"Some think that we are not doing this business for the good of the town. But as soon as we take over the building, we would have to put in a heating plant at a cost of \$1,898. I think the offer of \$2,500 for the building is a generous one," said Mayor Bell.

"I don't think I have sufficient information to say tonight who should get the building," said the reeve.

Surviving besides his widow is a large family of seven sons and two daughters. Garnet, at home; Wesley, Oshawa; Hilliard, Markham; Mrs. Walter McCarthy, Markham; Mrs. James Mearns, Markham; Manford, Donald and Wilbert, all of Markham, and Milton, Cedar Grove.

The funeral service will be held today at 2 p.m. A private service will be held at the Thomas Wigall funeral home at Markham, proceeding to Locust Hill for public service at the Un-

Leading Figure In Community Life, Aubrey Davis Dies

There were few residents in Newmarket and other communities in the district who were not affected by the death of Aubrey Davis early Monday morning this week. Mr. Davis' death came suddenly after an illness of only a week and it was a shock to many who knew Aubrey Davis. His death saddens all those who knew of the influence this family has had on the district for two generations.

Born in King February 2, 1873, he was the son of the late Hon. Elihu James and Margaret (Johnston) Davis. His father established a tannery business at Kinghorn which was moved to Newmarket after the turn of the century. Aubrey Davis and his brothers, in the generation that has passed, built up the Davis Leather Co. into the largest tannery business in the Common-wealth.

During the Second War he gave two years of voluntary service at Ottawa to the war supply board and its successor in co-operation with the leather and shoe industries.

He was an ardent member and supporter of Trinity United church, Newmarket, a member of A.F. and A.M. for over 50 years, past master of Robertson Lodge 292, member of Tuscan Lodge, Newmarket, member of the Scottish Rites, 32 degrees, of the Deocie Chapter, Newmarket, and life member of St. Geoffrey Perceptory and a member of the Ramees Temple, Toronto.

The funeral service was held at Trinity United church, Newmarket, Wednesday afternoon. There were over 250 floral tributes. Thirty-five members of the 220th battalion were present.

"Pallbearers were nephews Ken, Ghent, Aubrey J., Harold, Neil and Donald. Honorary pallbearers were J. L. Carson, Hon. Chas. McCrea, K.C., Alex. C. Morris, Percy M. Fox, R. C. Berkman, Mayor Joseph Vale, Jules Payan, H. D. Paterson, John R. Rumball, K.C., Robert Fennell, K.C., B. S. Vanstone, John J. Rankin, Noah A. Timmins, John A. McDougall, Heber Little and M. A. Thomson.

Mount Albert Farmer Killed Under Falling Elm Tree While Working With Son

John F. Dean, Mount Albert farmer, was killed instantly by a falling tree shortly after 3 o'clock on Monday afternoon. The 66-year-old farmer was cutting down a three foot thick elm tree with his son, Garnet, and a helper, Gordon McGoogan, on the Dean farm

Wesley Dean, another son from Oshawa said that the elm was on the side of a hill and that it fell from the opposite way to what was expected. "It is fortunate that he was not aware of what was happening," he said.

Living on the farm were John Dean, his wife, Violet Dean, and son, Garnet. They had purchased the farm a mile and a quarter south of Mount Albert a year and a half ago. They had lived in Locust Hill before that for 27 years.

Surviving besides his widow is a large family of seven sons and two daughters. Garnet, at home; Wesley, Oshawa; Hilliard, Markham; Mrs. Walter McCarthy, Markham; Mrs. James Mearns, Markham; Manford, Donald and Wilbert, all of Markham, and Milton, Cedar Grove.

The funeral service will be held today at 2 p.m. A private service will be held at the Thomas Wigall funeral home at Markham, proceeding to Locust Hill for public service at the Un-

LIGHTS FOR NORTH END

The number of street lights in North Newmarket will be increased. A plan is being made by East Gwillimbury township for the installation of lights, the number and location being determined by the residents of the district.

4,141 IN EAST GWILL.

According to the East Gwillimbury assessor's census report, the township's population is growing. The census population figure is 4,141.

Over 30 Hogs Killed For Bacon Show March 13

At Newmarket Town Hall

Over 30 hogs were slaughtered last Friday at the Canada Packers' plant in Toronto to be processed and prepared for the Bacon Show being held in conjunction with the York County Seed Fair at Newmarket next Tuesday, March 13.

After a week in cure the carcasses will be taken to Newmarket where one side of each hog and a cross section of the other side will be hung on display. These hogs were selected by the various township committees of the York County Hog Producers' Association and interest is unusually keen this year.

According to W. M. Cockburn, Newmarket, who is secretary of the show, a number of entries for the Seed Fair are in already but the end of the week brings the rush. A number of local seed and feed merchants have booked space for commercial displays to round out a balanced show.

The afternoon program will start at 1 p.m. when the judging of exhibits will have been completed and visitors will have an hour or so to inspect the displays before the more formal program. Dr. J. D. MacLachlan, the new president of the Ontario Agricultural College, who is to be guest speaker, will be the first president to speak at the Seed and Bacon show.

Raised on an eastern Ontario farm, he has the interests of farmers at heart. Following the discussion of the bacon carcasses, the ten bushel lots of registered seed will be sold by auction.

KESWICK

Owing to sickness, the W.C.T.U. meeting will be held at Mrs. Frank Marr's on March 13 instead of at Mrs. Campbell's as planned.

CANADIAN PLOWMEN ABROAD

by V. C. PORTEOUS ★ Director
ONTARIO
PLOWMEN'S ASSOCIATION

Editor's Note: This is the seventh and final of a series of weekly stories which V. C. Porteous, a director of the Ontario Plowmen's Association, is writing about the visit of Canada's champion plowmen to the British Isles, Belgium, Denmark and the Netherlands.

Belfast, Northern Ireland: If everything went smoothly here with never a hitch of any kind then I suppose this wouldn't be Ireland. Being of Irish descent I can say this without having to duck . . . or at least I hope so.

We came over to Belfast from Scotland by boat but because of some misunderstanding about our itinerary the welcoming committee met a different boat at a different pier. As a result we had to make our way to the hotel unescorted. However, once we were installed in the hotel a few telephone calls got things untangled, although the welcoming committee, complete with band, had been waiting over an hour. For the rest of our stay in the "Emerald Isle" we managed to keep the schedule without any major upsets.

Hugh Leslie, the tractor champion, made a good start which he managed to maintain with the result that he won the Festival of Britain cup. This was for the highest standing among the overseas competitors of which there were about 19, including some from Switzerland, Holland, England and Scotland. In case you wonder why the last two countries are classed as overseas I might remind you that there is still the Irish Sea.

Hugh's win means that each of the boys has won a trophy. Herb won in the overseas class at Cornwall which I mentioned in an earlier letter.

The following day we resumed our sightseeing and visited one of the largest cordage plants in the world. It was a revelation to see what goes into the manufacture of binder twine and rope.

Later we attended a conference to discuss the possibility of setting up standard rules governing plowing at international matches. There were representatives from most of the plowmen groups in the United Kingdom, but I am sorry to report that we did not arrive at any unanimous decisions. However, the meeting was a beginning and my feeling is that Canada should take the lead in this matter as there seems to be too much rivalry between the groups over here. I'll deal more fully with this project in the future at meetings of our own organization.

This weekend I left the boys for the first time since we started out together more than six weeks ago. I went up to Enniskillen in County Fermanagh to the home of my ancestors. I was successful in locating the very ground that my great-grandfather farmed. When I examined the land I wasn't in the least surprised that my grandfather's people left it for Canada. I suppose many Canadians feel the same way when they catch the first glimpse of their ancestral homes in these Isles. The broad acres of Canada have a way of spoiling us, I'm afraid.

We are now leaving for Scotland where we will take the plane from Prestwick to fly to Canada. The chances are that by the time you read this we will be home. We've covered a lot of territory, met a lot of people and enjoyed every minute of it but just now home seems to be about the most important place in this world. And now for the boys and myself I'll all serve a lot of credit.

Herb Jarvis had trouble with his team of horses, although they went nicely the day of the practice. But once they got in the crowd they wouldn't respond and as a result Herb lost ground which he wasn't able to pick up again.

YORK MEMBERS OF
MAPLE CATTLE BREEDERS
At Newmarket, March 14

The annual meeting for the York County members of the Maple Cattle Breeders' Association will be held in the parish hall at Newmarket on Wednesday, March 14, at 1:30 to receive the annual report and elect directors for the coming year.

Last year it was suggested by some of the members that the breeders in York county should have their meeting separate from the general meeting to give them an opportunity to discuss problems pertaining to York.

When this was approved by the board it was felt that since the general annual meeting would be held at Maple on March 27 it would be in the interests of the membership as a whole to hold the county meeting at Newmarket this year. As there are some important amendments up for consideration, it is hoped that the members from all over York will make a point to attend.

It is interesting to note the growth of this organization which was originally set up to serve the Maple district. During the past year two groups were organized by the dairymen at Powassan and Verner in the North Bay area, as well as at Owen Sound in Grey county. Two weeks ago the first shipment was made to Fort Francis almost on the Manitoba boundary in Rainy River district and a second centre is practically organized in Grey county.

They may continue their training this year by the sales of Easter seals which the Newmarket Lions Club is sponsoring.

East Gwillimbury Refuses
Tax Levy For Farm Federation,
Sees Marsh Drainage Problem

A deputation at the East Gwillimbury township council meeting this week asked for a 1/2 mill levy on all farm property in the township to support the Federation of Agriculture in the township. Such a levy would amount to \$700. The council turned down the proposal and gave a grant of \$300.

MAIN STREET

With more balmy days now, it allows one to linger downtown and admire the attractive shop windows on Main St. I think I did tell about the delightful St. Valentine's displays in the two florists' shops the other week and the variety of Valentine greeting cards at the Marigold Shop, and the particularly beautiful St. Valentine heart in Mr. Yates' jewellery shop next door and all his glamorous jewellery.

We are now leaving for Scotland where we will take the plane from Prestwick to fly to Canada. The chances are that by the time you read this we will be home. We've covered a lot of territory, met a lot of people and enjoyed every minute of it but just now home seems to be about the most important place in this world. And now for the boys and myself I'll all serve a lot of credit.

Farther up the street in Mr. Elman Campbell's window was a huge china teapot. I never saw such a large, fat, jolly teapot ever before except one, and it was a Rockingham ware huge Brown Betty! But this one was a beautiful china one. Why is it that beautiful china always appeals to every woman's heart?

I have a deep abiding love for teapots always.

Now I have another attractive window to tell you about today. I took it on myself to call up the designer of this unique display and ask him to please leave it in his window so I could tell you folks to be sure and see it. Oh, didn't I tell you? Why, it's Mr. Budd's window next to the post office.

I'm getting ahead too fast! My pen can't keep up with my racing thoughts! I'll slow down and begin at the beginning. I was in Mr. Budd's photo store the other day and he was very busy cutting out babies' photos from a pile of lovely baby photos and he explained he was making a window display of all the babies he had photographed in the past year. Naturally, I was interested and when he explained further what he was going to do, I certainly was delighted and you may be sure I watched his window for results.

For I felt sure it was going to be something unique and out of the ordinary. I assure you it is exactly that!

Mr. Budd has cut out a locomotive with tender and cars and in behind is painted appropriate scenery with a farm house, trees and landscape. The train is loaded with babies and he has them all numbered. Babies and young children are Mr. Budd's specialty and he sure has some grand photos. The babies ride on the cow-catcher, on the smoke stack, all over the engine, and the cars behind are packed with small folks.

Mr. Budd is always having something unique in his windows but he isn't the only one who knows how to dress his windows attractively. I had a friend here from Oshawa a while ago and she was particularly enthusiastic over our Main St. shop windows. There were two op-

posite the post office they had noticed as they passed in their car so down town she and I went so she could really see them from the Jack and Jill shop, you know, with children's things, right down Main St. to the wool shop at the corner, run by Mrs. Goughouf, a new citizen who lately came to town from Holland.

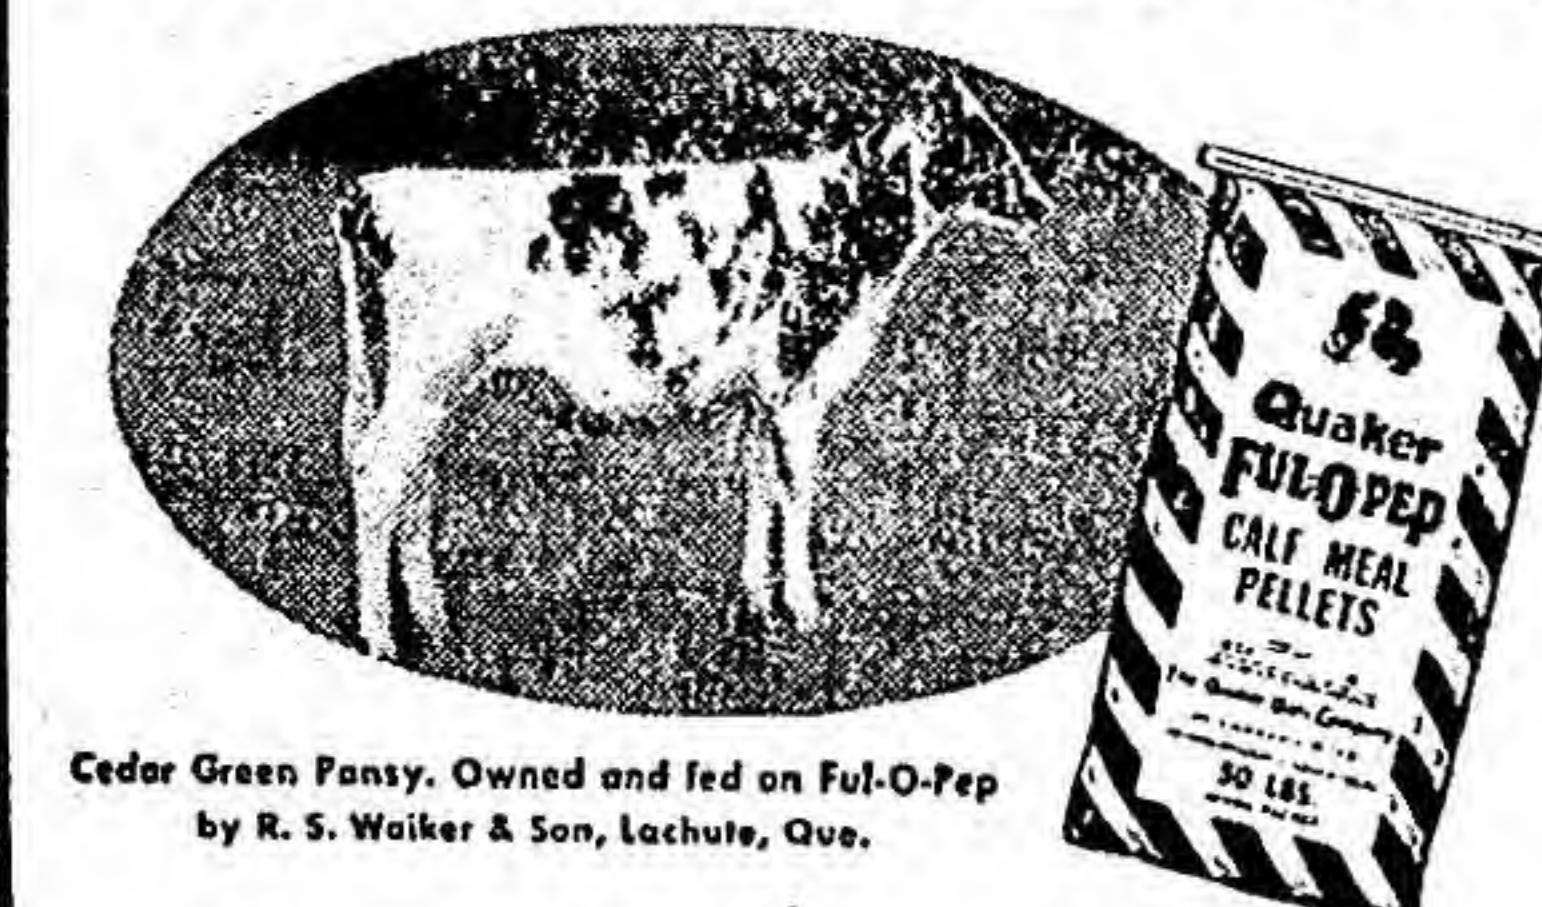

The three bake shop windows are certainly tempting. I notice the young chaps from high school and Pickering College enjoy their dainty, toothsome cookies and cream puffs and honey doughnuts.

But going back to Mr. Budd's train-load of baby portraits, it really is unique. But then there is always something attractive in that window, parades, carnivals, unveiling of monuments or a window full of brides! Newmarket has always been noted for splendid window dressing and now the fine weather will soon be here and we can take time, without freezing our ears and noses, to really appreciate the fine displays all the way down Main St.

I had a letter recently asking if I'd seen any signs of spring as yet. It was a lovely letter and I'll be answering it soon, Merry Lips. (You have a cute pen name!) Yes, I've seen the tiny sparrows taking baths in the puddles left by this mild weather all along the streets. But then I've seen them taking dips in little pools and puddles in mid-winter, so perhaps that's no sign. Well Spring is surely just around the corner for the sunshiny really is warm (when it shines!).

The Top Six Inches

The current rumor reports that binder twine will be \$50 a 100 and we know definitely that baling twine is offered at \$840 a ton. Implement prices are going up and since last spring they added another 20 percent. Undoubtedly the cost of repair parts and repairs is doing the same thing. All this coupled with the fact that the price of milk is set for the rest of the year and that wheat is the same now as it was a year ago, really sets us back on our heels. And hard.

History repeats itself and the farmer is getting the squeeze again when prices of products that the farmer has to buy go up faster than the produce he has to sell. However our special concern today is something else again. Maybe it's just an isolated instance, but it is a very important one. This is the baling business.

We cannot think of any farm operation which became so popular in such a short time as baling did. From a rather modest start back in '46 until now the handling of hay and straw with balers became widespread beyond the hope of the most optimistic manufacturer.

There were many reasons for this. One was that the baler hit the market at the time of the worst labor shortage on farms. Another was that for every machine bought, much potential custom work came on the market. Owners of balers decided that only a large volume of baling could justify the investment and the work was available. Thus a lot of farmers got acquainted with the machine and some of them bought a baler the following year.

Undoubtedly the baler has a place in our economy. Without doubt it is labor saver. As a means of doing away with heavy work like mowing and pitcheting it is unquestionably valuable. But we have our doubts on two more points which are equally as important. The baler certainly isn't the solution for the quality of hay in our climate. At 15 cents a bale, which we figure will be the charge in an other season or so, it will cease to be economical for the average farmer.

We have seen too much hay, last year especially, which look-

MEMBERSHIP HIGHER AT CHURCH IN KING

The membership of All Saints Anglican church has considerably increased during the past year according to reports at the annual vestry meeting. All departments show activity in the W.A., the Girls' Auxiliary and the Sunday-school.

The general account shows total receipts of \$1,845.30. In this amount, open collections amounted to \$200.01; envelopes \$941.00; Easter and Harvest offerings, \$148.33; endowments plus a grant from the W.A., \$203.10. More than \$30 was raised for the Manitoba Relief Fund.

In the mission account total receipts were \$220.84 of which \$147 was given to the Synod allotment. The building and church decoration fund continues to enlarge. With the balances carried over from January 1, 1950, the total figure stands at \$1,742.88. After defraying decoration expenses, the balance by December 31, 1950, stood at \$1,675.88. The account includes donations from two persons amounting to over \$300.

Church officers for the coming year are: rector's warden, Ray Burt; peoples' warden, Stanley Watson replacing George Hately who held the position for 27 or 28 years; vestry clerk, Mrs. Frank Armstrong; treas., Mrs. G. D. Lockhart; lay delegate to the synod, James Keens; organist, Donald Rawlings, assisted by Freda Dent; W.A. pres., Mrs. Ray Burt; G.A. pres., Mrs. Ross Walker; S.S. superintendent, Gordon Tetley; church caretaker, Mrs. Harry Cunningham; grounds caretaker, Ross Rawlings.

SCHOMBERG

(Received last week)

Mrs. M. Hague left for Sudbury on Thursday where she intends to stay for a couple of weeks.

Mr. and Mrs. J. Donnan, Tottenham, and Mr. and Mrs. Fred Davis and Mrs. John Bryan, Aurora, visited Mrs. Wm. McKinley on Sunday.

Mr. and Mrs. Bernard Sutton, Sudbury, visited the latter's parents, Mr. and Mrs. Wm. Marchant, and other friends in town on Friday.

Mrs. Frank Marshall, King, visited friends here over the weekend.

Mrs. A. Brown, St. Catharines, is spending a few days with her mother, Mrs. E. Ferguson, who is ill.

Little George Watson, who has been ill most of the winter, is in the Hospital for Sick Children undergoing treatment. We wish him a speedy recovery.

Quite a number have been confined to bed the past week with the 'flu.

Mr. and Mrs. Jos. Rogers and their son, Dr. S. Rogers, Toronto, called on Mrs. Wm. McKinley on Sunday.

Miss Doreen Hardiman and a friend of Toronto were guests of Mr. and Mrs. Wilfred Aitchison on Sunday.

Mr. and Mrs. Wilfred Aitchison, Mrs. McKinley and Della and Mrs. G. Dove were in Weston on Monday attending the funeral of Mrs. John McKinley, Weston.

MOUNT ALBERT

The 'flu caught up with your correspondent this week; we spent the week in bed.

The Park Board had a very successful dance on Friday evening when those attending enjoyed dancing to Norm Burling's orchestra.

Nearly every house in town has been hit by the 'flu or severe colds. Hope the worst will soon be over.

The United Church Sunday school will hold its At Home next Friday evening at 6:30. There will be a pot-luck supper and entertainment afterwards. Parents are asked to come with the children.

The late Frank West of Toronto was brought to Mount Albert for burial in the cemetery. He was formerly druggist here some years ago but since leaving here has been in Toronto.

Remember you may leave donations at the Post Office for overseas food parcels to be sent from the United church.

Gifts of good second hand or new clothing and bedding may be left at Theaker's store for shipment overseas. There is still a great need for this so share if you can anything you can do without.

The Mount Albert Community Hall was the scene of the community's most successful entertainments in a few years when the Happy Doubles club of King Street United church, Oshawa, presented the 1951 Minstrel Show.

The chorus work was excellent and always showed plenty of spirit. Mrs. Greta Burrows gave a skit about a colored lady phoning an insurance agent to place insurance on her husband who had been sentenced to be hanged in a few days. There were solos by Frank Burrows, Mose, Snowball, Lightning, Vernon Osborne and Joyce Osborne, Mrs. Ayres and Margaret Gomme. In addition there were several interesting duets and quartettes.

Mr. Lloyd Metcalfe was entertainment in a few years when locator and pianist were Miss Audrey Moffat, A.T.C.M. Mr. R. W. Vernon Osborne was the director. Proceeds were in aid of the public library.

We may be old fashioned, but as far as we are concerned, the pick-up baler is on parole until further notice.

OTTAWA LETTER

by

"Jack" Smith, M.P.
North York

The Farm Improvements Loan Act passed in 1944 and which since that time has extended credit to Canadian farmers in the amount of more than \$170 million will be continued in force another three years. Legislation to provide for this extension was brought in by the government this week.

The primary purpose of the Act was to fill a gap in the credit system which has been developed in Canada to meet the needs of agriculture. That gap related chiefly to the provision of intermediate credit and certain types of short term credit to farmers, for the improvement and development of farms and for the improvement of living conditions thereon. The act aims at assisting particularly, the average farmer who in the past has frequently not been able to secure bank credit for these purposes. It aims, moreover, at providing credit in a form and under terms and conditions which are convenient and suited to the needs and conditions of the particular farm borrower.

The history of the Act is one of constantly growing and increasing usefulness. In the first full year of its operation there were 13,030 loans amounting to \$9,880,565. In 1950 there were 58,970 loans amounting to \$63,417,630. Of all these loans 85 percent were for the purchase of implements and machinery. Other loans were for purchase of livestock, electrical installations, fencing, drainage, construction or repairs to buildings.

The repayment of loans has been very satisfactory and the net claims by the chartered banks on the government in the period the Act has been in force has been \$19,154.18. This is considered a very satisfactory record and there has been unanimous agreement here in support of the government's action in continuing in force this very practical and useful legislation for the benefit of Canadian farmers.

Indian Act
Hon. Walter Harris, minister of Citizenship and Immigration, has introduced a measure to amend the Indian Act.

Indian legislation in Canada is almost 100 years old, the first Indian Act having been passed in 1857.

In the years 1946, 1947 and 1948, a special joint committee of the Senate and Commons made a very thorough examination of Indian Affairs. Representative Indians from all parts of Canada were here, in Ottawa, last week consulting with the minister and it is hoped as a result of these conferences a new deal will be given the Indian, giving him the measure of self-government which his status now requires. Latest available figures show

Forest engineers of the federal Resources and Development Department have designed a shadow-height calculator to determine tree heights observed on aerial photographs. This technique replaces the lengthy calculations required by older methods.

Need To Improve Restaurants, County Health Unit Report Says

During the month of January, a comprehensive survey of all known eating establishments was completed by the York County Health Unit. A director's report says "results of this survey indicate a tremendous need for improving methods and techniques in the operation of restaurants, lunch counters, snack bars and other eating establishments.

"Much of the difficulty appears to arise because the majority of operators appear to have no previous knowledge of the Eating Establishment Regulations put into effect by the province in 1948.

"Out of a total of 90 premises inspected, 49 did not have the minimum equipment for safe dishwashing, and less than 10 percent used proper methods of disinfection of dishes. A total of 44 had insufficient wash room accommodation for customers and 42 lacked adequate hand-washing facilities.

"The provision for dishwashing equipment sometimes involves considerable expenditure. Good results can be obtained, however, by willing and co-operative operators and while attempting to obtain necessary equipment, there is no reason why improvements in the condition of restaurants in general can not become apparent," reported Dr. R. M. King, medical officer for the health unit.

ST. PAUL'S CHURCH PLANS RELIGIOUS SURVEY OF TOWN

The rector of St. Paul's church, Newmarket, Rev. Jas. T. Rhodes, called the attention of the congregation to the special meeting to be held in Trinity United church next Sunday evening. The church plans to form teams of canvassers for a religious survey of the town. A technicolor sound film will also be shown. It will be after the evening service at 8:15 p.m.

The Ladies' Aid held its monthly meeting at the home of Mrs. C. E. Blodstone, Court St., last Monday afternoon while the Parochial Guild held its meeting Tuesday evening at the home of Mrs. J. O. Little, Davis Dr.

The Parochial Guild is working hard to prepare for a St. Patrick's Day tea to be held in the parish hall a week from tomorrow, Friday, March 16. The Evening Branch of the W.A. held its Dorcas meeting at the home of Mrs. E. Pollock, Park Ave., on Monday evening and the Afternoon Branch is holding its monthly devotional and business meeting in the parish hall this afternoon when the rector will give a further talk on the study book. The study book this year is "The Moslem World".

WHITCHURCH HOME, SCHOOL

Whitchurch S.S. 6 and 7 Home and School Association spent an enjoyable evening at S.S. 6 two Fridays ago with about 30 present. Although its numbers were greatly diminished by the 'flu the program was carried out according to plan.

Mrs. Yorke of the Ontario Federation of Home and School and Mr. Dewitt of the National Film Board used as their theme for the evening, "Canada's Family Tree". Mrs. Yorke stressed the importance of mixing with all our new Canadians and including them in our community activities. The social part of the special Founders' Day program included a sing-song directed by film and refreshments.

You're in clover these four ways!

Somewhere in your community, chances are that invested life insurance dollars are benefiting you by helping to build urgently needed public works. One of these might be a new, well-equipped school, encouraging your boy or girl to be a better, happier student.

It might be a modern highway, helping to relieve traffic congestion in your district. Life insurance dollars, invested for the future needs of policyholders, make it possible to build many such roads throughout the nation.

Perhaps a new industry has recently moved into your town, creating jobs for many people, maybe for you. If so, it may be one of the industries that life insurance dollars have helped to build or expand. Other life insurance dollars play a part in building power plants, water systems and many other useful projects.

Families, too, benefit by these investments, which help make it possible for Canada's 5 million policyholders to enjoy double security — income for later years and protection of loved ones now. Thus life insurance promotes progress and security throughout the nation.

Business And Professional Club Celebrates International Night

International night was celebrated by the Newmarket Business and Professional Women's Club on Monday, Feb. 19 with the holding of a dinner meeting at the King George hotel. There was a large attendance with many guests present.

Guests, Mrs. Hansen and Mrs. Mortensen, who are natives of Denmark, displayed and explained a number of beautiful articles brought from Denmark. First was a large Russian linen table cloth with two panels of lace made by drawing the threads and working in a lace pattern then worked in the cross stitch in Copenhagen blue.

The China displayed was one of the oldest patterns in Denmark in blue with a soft white background. One linen runner was beautiful. It was worked in blue in the same pattern as the China. Mrs. Hansen had some lovely pottery and bronze ash trays.

Also on display was hand-hammered silver flatware and costume jewelry. With the modern touch was a black oak hand mirror inlaid with small sterling silver hearts. After everyone had admired the linens, silver and looked at the books on Denmark, Mrs. Hansen brought out a menu from the restaurant owned by Oskar Davidsen. The menu was over a yard long. On one side it listed the sandwiches and there are 194 kinds. The other side showed pictures of the different kinds of sandwiches also of the girls and men preparing the food. We noticed that the same design as Mrs. Hansen china used in the restaurant was had with her.

Lunch was then served of sandwiches and Danish pastry and during tea we were entertained with Danish music. Mrs. C. Copson thanked the ladies for delightful afternoon and Mrs. H. Morning for the use of her home.

A euchre was planned for Thursday, March 8. The committee will be Mrs. Reddick, Mrs. Patrick, Mrs. B. Smith and Mrs. F. Williams.

The open meeting is to be held March 20 with a television show and music. A lunch will be served. The committee is Miss Webb, Mrs. Copson, Mrs. Cain and Mrs. Nesbitt; amusement committee, Mrs. Davidson, Mrs. Copson, Miss Harding. A quilt was planned for the district annual. The committee is Mrs. Farren, Mrs. Patrick, Mrs. E. Copson and Mrs. F. Williams.

The Pine Orchard branch of the W.I. will meet at the home of Mrs. Jack Sylera on Wednesday, March 14, at 2:30. Roll-call is a suggestion for our community improvement. Reading: Institute Collect, Mrs. S. Edwards. Paper: Public Relations.

From a three weeks' holiday trip to St. Petersburg, Florida.

—Rev. and Mrs. Philo Chase, Barrie, attended the funeral service of their nephew, Glenn Keay, on Friday at the Newmarket Free Methodist church.

—Miss Marlene Martin spent Sunday with Miss Ruth Graves.

—Mrs. Freeman Lloyd attended the funeral of her brother, Mr. W. J. McBride, Toronto, on Saturday.

—Mr. and Mrs. Archie McCleave, Brampton, spent the weekend with their cousins, Misses Lela and Eva McCleave, Niagara St.

—Mrs. Wm. Prisley, Toronto, grandson, Mr. Wm. Prisley, and Miss Betty Hunter, Leaside, spent Sunday with Mr. and Mrs. George Smith.

—Dr. C. E. VanderVoort left on Sunday by plane for two weeks' vacation in Bermuda.

—Mr. Edgar Pope, Windsor, is in town this week and attended the funeral of Mr. Aubrey Davis.

Miss G. E. Charles spent the weekend with Mrs. H. Charles, Wells St.

Mr. and Mrs. Murray McLeod, Wells St., moved to Newmarket this week.

Mr. and Mrs. A. Green and son spent the weekend with Mrs. Wm. Bull, Machell Ave.

Mr. Gordon Lee, Toronto, spent the weekend with his parents, Mr. and Mrs. L. C. Lee.

NAZARENE W.M.S.

The 'flu curtailed the attendance of the regular meeting of the W.M.S. of the Church of the Nazarene. Held at the home of Mrs. John Shier on Wednesday afternoon, Feb. 28, the group conducted its prayer meeting. Mrs. Earle Weddel presided.

UNDERGOES OPERATION

Beverley Ruddock, who underwent a serious operation at St. Michael's hospital recently, is progressing nicely.

IN MEMORIAM

King — In loving memory of William Henry King, who passed away March 6, 1945. Many a lonely heartache, Often a silent tear, Always a beautiful memory. Of the one we loved so dear. Lovingly remembered by wife, family and Frank.

LeGresley — In loving memory of a dear father who passed away March 3, 1950. When last we saw your smiling face.

You looked so bright and well; Little did we think, dear dad, It was our last farewell. If we could speak with you today, Joke with you in the same old way,

Heart your voice and see your smile, Then life indeed would be worthwhile.

Always remembered by son, George, and daughter-in-law, Edna.

LeGresley — In loving memory of a dear father who passed away March 3, 1950. He is gone but not forgotten, And as dawns another year, In our lonely hours of thinking Thoughts of him are always near.

Days of sadness still come o'er us, Friends may think the wound is healed, But they little know the sorrow That lies within the heart concealed.

Always remembered by son, William, and daughter-in-law, Gladys.

LeGresley — In loving memory of a dear husband who passed away March 3, 1950. You're not forgotten, husband dear.

Never shall you be. As long as life and memory last We shall remember thee.

Lovingly remembered by your wife.

LeGresley — In loving memory of a dear grandad who passed away on March 3, 1950.

In our hearts your memory lingers Always tender, fond and true. There's not a day, dear grandad, That we do not think of you.

Lovingly remembered by your grandchildren, Barbara, Bobby and Shirley.

McCarnan — In loving memory of a dear grandmother, Harriett E. McCarnan, who went to sleep Feb. 21, 1950.

Since a year has gone we think of you more. The sun shines brightly at God's open door; We feel you are resting, free from pain.

The years will go slowly, till we meet again. Lovingly remembered by Ken, Terry and great-grandchildren, Michael and Patrick.

McClure — In loving memory of a dear father who passed away March 3, 1950. When last we saw your smiling face.

You looked so bright and well; Little did we think, dear dad, It was our last farewell.

If we could speak with you today, Joke with you in the same old way,

Heart your voice and see your smile, Then life indeed would be worthwhile.

Always remembered by son, George, and daughter-in-law, Edna.

LeGresley — In loving memory of a dear father who passed away March 3, 1950. When last we saw your smiling face.

He is gone but not forgotten, And as dawns another year, In our lonely hours of thinking Thoughts of him are always near.

Days of sadness still come o'er us, Friends may think the wound is healed, But they little know the sorrow That lies within the heart concealed.

Always remembered by son, William, and daughter-in-law, Gladys.

LeGresley — In loving memory of a dear husband who passed away March 3, 1950. You're not forgotten, husband dear.

Never shall you be.

As long as life and memory last We shall remember thee.

Lovingly remembered by your wife.

LeGresley — In loving memory of a dear grandad who passed away on March 3, 1950.

In our hearts your memory lingers Always tender, fond and true. There's not a day, dear grandad, That we do not think of you.

Lovingly remembered by your grandchildren, Barbara, Bobby and Shirley.

McCarnan — In loving memory of a dear grandmother, Harriett E. McCarnan, who went to sleep Feb. 21, 1950.

IT'S A Woman's World

BY CAROLINE ION

Officially spring may be another couple of weeks away, but the arrival of the seed catalogues through the mail is as good as a dose of grandpa's old standby, sulphur and molasses, to those of the green thumb league.

This, the dreariest of seasons, can best be spent in looking forward to those wonderful spring days ahead. The nurseries should receive a merit of honor for their distribution of their interesting catalogues. The ones with the colored illustrations are a real treat. Think of the amount of pleasure such publications bring. During the cold, raw evenings more than one gardener enthusiast will pass the time profitably with his study of these catalogues.

There are all the new introductions to examine and consider. There is the checking with last year's list, cancelling those which did not live up to one's expectations and increasing the order for others which proved to be family favorites. There is the replacing of a tree or shrub which has been injured or the inclusion in this year's order of some special stock for foundation planting.

A good garden takes time. It takes time not only in the growing season with the planting, cultivation and harvesting, but beforehand in the planning. A well-kept property takes thought and patience as well as care and time. It is something which cannot be achieved in one season. That happy blending of a house and its surroundings to form a balanced picture is artistry in gardening at its best.

So often owners of new homes are rather shaken by the manner in which their house divolves itself from the earth. It stands there naked, devoid of any softening influences from lawns and shrubs. In their haste to correct this sad plight, they rush to the nursery, purchase what stock is within their financial means and plant it haphazardly around their property. Later, they are disappointed if the imagined results are not attained.

Now, during these weeks when actual gardening out-of-doors is impossible, is the time to plan an overall scheme for one's property. A specimen of soil gathered from various sections of the land could be sent to Guelph for analysis. The container and application form may be obtained from the local agricultural representative. Included in the report of the soil analysis will be a recommendation of the fertilizer that that particular ground requires.

In the actual planning of the layout of the garden it is wise to draw the property to scale. List all the things one wants to include within this plot. Allow the space for the house and other buildings, the walks and drives and then divide the remainder so

receiving his education at Queen's University and the University of Toronto, Mr. Phimister went on the staff of the Toronto public schools, later on the secondary schools' staff and prior to three years' service in the army was an inspector in the Toronto schools. He returned from military service to the staff of the city's schools and became superintendent of the Toronto schools.

Following his very interesting talk, Mr. Phimister was thanked on behalf of the group by Mrs. Bert Budd.

The meeting opened with "O Canada" with J. N. Lothian at the piano followed by a reading from Kahl Gibran's "Jesus" by Mrs. C. R. Blackstock. Mrs. Blackstock was in charge of the meeting. Her committee had much informative material on display.

Also on display was a wide selection of reading material by the publications convener, Mrs. John Swindells.

Light refreshments were served at the close of the meeting enabling those present to meet and talk with the guest speaker.

LEGION AUXILIARY EUCHRE A SUCCESS

The Ladies' auxiliary of the Canadian Legion, Newmarket branch, held the monthly euchre and cribbage party at the legion hall on Wednesday evening, Feb. 28. Mrs. Arthur Sheridan convened the successful event. There were 14 tables.

Prize for ladies' high went to Mrs. W. O. Carruthers with a score of 123. Arthur Daley with a score of 124 won the men's first prize. Lone hand prize was won by Mrs. T. Rawlin with eight lone hands.

In cribbage the high prize went to Mrs. Bill Dean, Holland Landing and the consolation prize was won by Mrs. Donald Birch.

There were two lucky chair prizes. They were won by Mrs. Everett Miller and Alfred Lewis. The draw on the quilt which had been made by the members of the Ladies' auxiliary was won by Mrs. S. R. Goodwin, Holland Landing.

The next euchre and cribbage party will be held on Wednesday, April 4 in the legion hall. There will be bus service at the close of the party.

HOME AND SCHOOL PLANS ANNUAL SALE

Contributions of good, used clothing and articles suitable for the white elephant table for the Newmarket Home and School association's annual spring opportunity sale may be left at Budd's studio or Stewart Beare's radio shop, Main St.

The sale will be held in the market square on Thursday, March 22, beginning at 1 p.m. In charge of the project are Mrs. Beare and Mrs. Robert Morrison. Parents of school children are requested to collect their youngster's out-grown clothes in readiness for this sale.

Funds raised by the sale will go to purchase films and the film strip projector for the public schools.

NEW HORT. SOCIETY TICKETS AVAILABLE

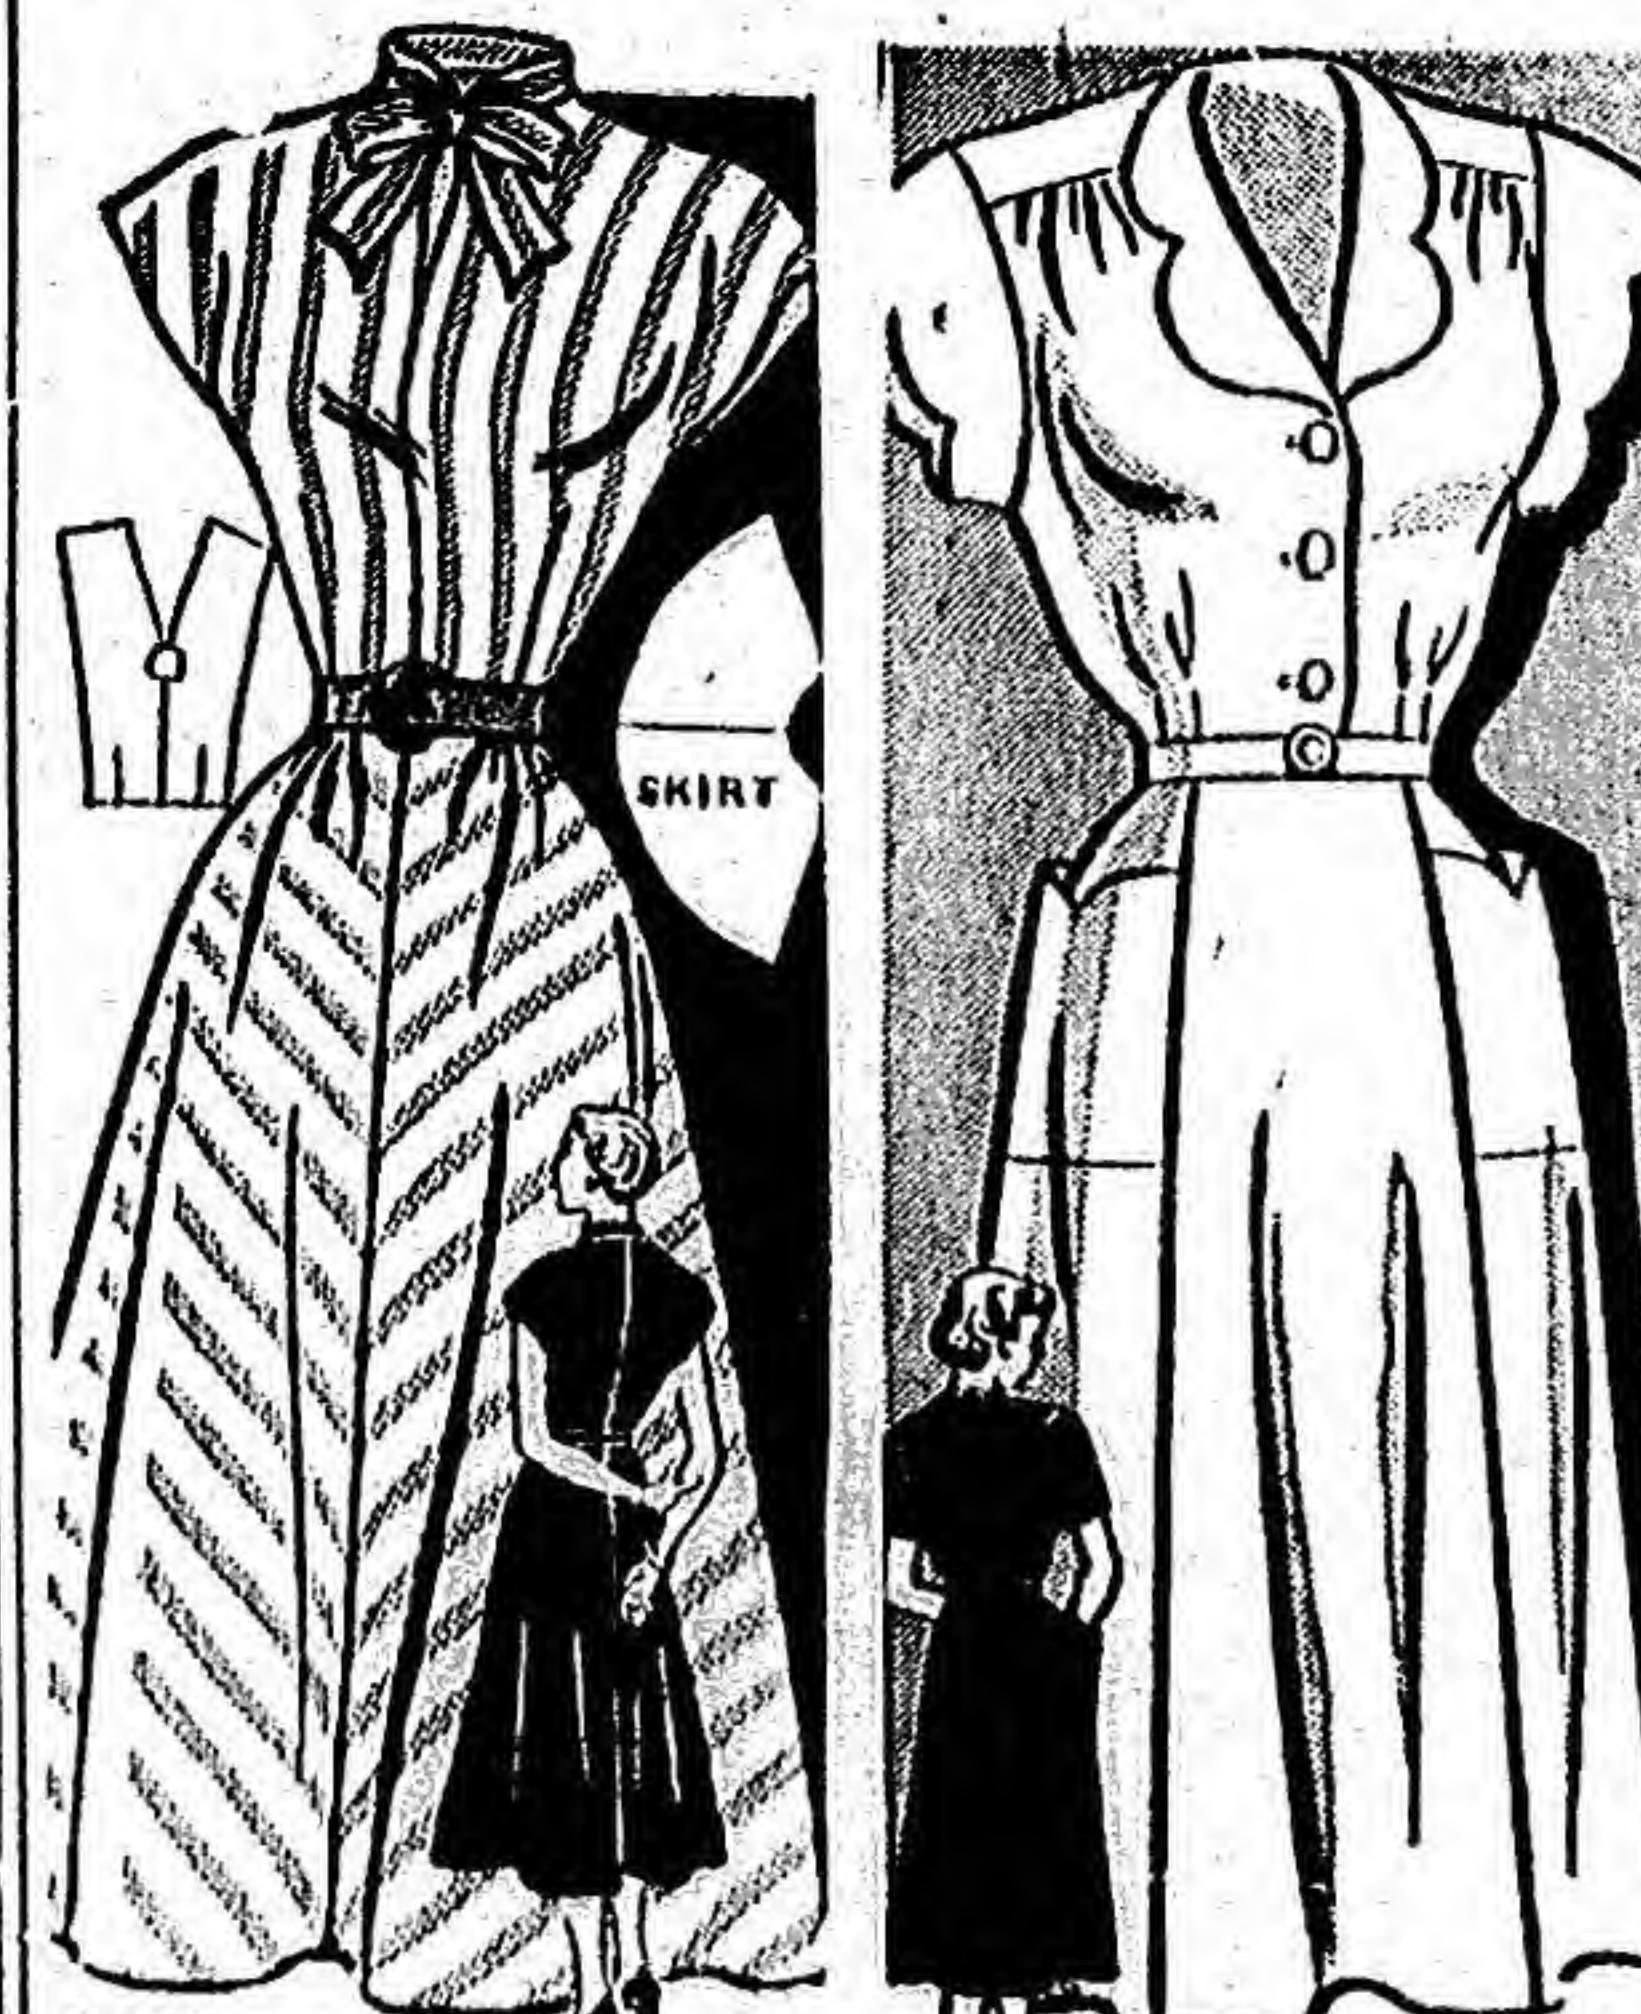

Membership tickets to the Newmarket Horticultural Society for 1951 are now available. Membership convener is Ernest Winter and tickets may be obtained from him or from any member of the executive.

Tickets have been placed at McCaffrey's Flowers, Timothy St., for the convenience of those who will purchase them while down town. Regular membership fee is \$1. To obtain a subscription of the Canadian Magazine, "Your Garden and Home", the payment of \$1.75 must be made.

Membership in the Newmarket Society permits one to purchase nursery stock through the society at a discount. It enables the holder to exhibit flowers and vegetables at the society's summer shows. It provides funds for the encouragement of an interest in gardening among the children of the community; for public planting of trees and shrubs around the town and through the holding of garden visits, open meetings and other interesting programs it stimulates home owners to beautify their own property. Help make Newmarket a more attractive place in which to live by joining the Horticultural Society.

Over 80 were present to enjoy a social evening. The honorees were the recipients of many lovely gifts. Delicious refreshments were served by the hostesses following the presentation by the staff of Loblaw's Gourmetaria of a tri-light floor lamp to Miss Schrank.

CAN YOU HELP?

We want to find a real home in the country for our retarded boy of '44. He is able to do most things and his only handicap is that he was born with a condition that has retarded his development so that he has only the mental capacity of a child about six years old. He is healthy, happy, cheerful and affectionate, with excellent habits, but the doctors say he cannot expect to compete with normal children and recommend a simple regular home life in the country.

If you are fond of children and could offer a comfortable home with interested care for such a boy, we would like to hear from you. We are prepared to pay a good fee, but our first consideration is to find a GOOD home with reliable kindly folks who will care for him as one of their own.

Please reply, with full particulars to the Era and Express Pattern Dept., Newmarket.

March Came In Like A ... Lamb

Douglas Smith, former Aurora boy, brother of Frank and Julius, will be a candidate for the presidency of the Ontario softball association which meets at Brantford over Good Friday weekend, and from all reports the tireless "Nig", who has served amateur sport tirelessly and well, should be a shoo-in.

We hope some district delegates will be present to lend a vote or two. Thanks for the invite to attend, and while it's not likely we'll be there, Mr. Smith can depend upon some lobbying.

We wonder how many remember when Smith played junior hockey and lacrosse in Aurora, later joining Toronto Aurora Lee, when they had such players as Lionel Conacher, the late Jimmy Green, the late Billy Burch, Arnold Moltenauer, one-time Newmarket player, "Bullets" Applegath, and Bill Marsden who never played hockey in his life was a top-ranking coach?

Up north on business recently, and heard a few bits about some athletes known in these parts which we pass on. At the Soo, where we saw the new big Memorial Gardens, three former Newmarket Camp athletes are playing great hockey. Terry Bielecki who led the mercantile league scoring in North York in 1940 is a standout with the Soo Greyhounds who are awaiting senior N.O.H.A. competition, and Wally Zyke, who played with the Camp team in 1943 is doing defense duty on the same club.

Whippet McMaster, another member of the No. 23 B.T.C. team of '43 is playing with Soo Legion who are top-ranking contenders for northern Intermediate "A" honors. Like other centres the Soo teams are suffering from stayathomitis which appears to be affecting the hockey gates all over this season, and has both arena and team managements worried sick. The Soo Juniors were awaiting action from the Sudbury district where Spider Gibson, former Aurora junior had a fairly good season in "A" company. Gibson can stay on in the Nickel Belt circuit in senior next year if he wishes, but don't be surprised to see that old line of Ortie Thoms, Grant Firth and Don Gibson reunited with Newmarket Spitfires next season. Soo Juniors ousted Sudbury last week. Harry Pearce, who played hockey with Aurora Tigers in '40, has been going great guns in the Sudbury City league.

Bill Norton is the first vice-president, and Bill Cox an executive member of Woodbridge Legion Branch. Both boys need no introduction to Ontario lacrosse fans. With the 2,000 seating capacity in the new arena,

Oak Ridges News

CORR. MRS. L. E. ROLLING, PHONE KING 8

Parents will have the opportunity of seeing their sons in a game of broom hockey with the Lions as challengers. Cub Ed Pallister will take the goal.

The construction of a 50 by 50 foot concrete base on Oak Ridges school grounds for basketball is being considered by the Lions club.

Bud Maguire, serving with United Nations forces in Korea and hospitalized in Japan, will receive a gift of cigarettes from Oak Ridges Lions who will make overseas gifts a policy to cheer up local Canadian soldiers. Bud's father lives at Lake Wilcox. He has a foot wound.

Mrs. Bernard O'Brien, Lake Wilcox, hopes to see her husband home on embarkation leave this week. He is at Fort Lewis, Washington. Child Succumbs to Illness

Marie Szellars, aged five, daughter of Mr. and Mrs. Matthew Szellars, Lake Wilcox, was buried in Mount Hope cemetery, Toronto, on Wednesday, Feb. 28. Besides the parents five brothers and sisters survive. The little girl passed away in York County hospital following a prolonged illness. A floral spray was given by Lake Wilcox neighbors.

Attendance at Oak Ridges school is now on the upswing according to the staff as the 'flu epidemic and measles are nearly over. Scarcely a home has been free of the 'flu germ at one time or another during the last month. Mrs. S. J. Acheson, reserve teacher, has supplied for absent staff members.

Elizabeth Hanna is home from school with measles but expects to return to school next week.

Mr. Frank Legge, chairman of the Oak Ridges school board, has not been well lately having to submit to further medical examination following a surgical operation some weeks ago.

Mr. Bill Hudson returned from a Toronto hospital last Sunday where he spent two weeks following a leg operation. At present Bill is able to get about with the use of a cane.

Mrs. Edward McVey, a sister of Mrs. George McEwan, and her husband have now returned to Richmond Hill where they are established in a new hairdressing business. The McVees remained in the McEwan home following a traffic accident on February 10 at Oak Ridges when both were injured.

RONALD MACINTOSH
DIRECTS RIDGES
CIVILIAN DEFENCE

The appointment of Ronald MacIntosh as chairman of the civil defence committee has been made by Oak Ridges Lions club. He will select a committee of five to work out a civil defense system.

Mr. MacIntosh is communicating with the federal minister of civil defense at Ottawa for information dealing with this program. He also plans to contact the municipal clerks of the townships of Whitchurch and King.

The Lions' selection of Mr. MacIntosh is well made. He has extensive knowledge in this field, having served from 1937-39 in the auxiliary fire service, volunteering for His Majesty's forces in November, 1939. He was evacuated from Dunkirk, was released from the forces to the national fire service in Manchester, England, being appointed divisional fire transport officer.

Results could be achieved by the operation of the school area, said Mr. McCarron. Education

Protect Oak Ridges Pupils With School Crossing Signs,

Talk Of School Area System

The use of newly installed school crossing signs, advantages of the school area system, proposed dissolution of the boundaries of S. S. 13, Whitchurch, and the use of portable school buildings were among the subjects discussed at a meeting of Oak Ridges and Lake Wilcox Ratepayers' Association held on Monday night. President E. L. McCarron was in the chair.

Protection for children at Oak Ridges school crossing is now provided in the establishment of traffic warnings by the traffic division of the department of highways at strategic points on highway No. 11. Large folding signs in black and white operated by the school guard, William Foster, have slackened traffic.

A survey made by the traffic division of the OPP shows an improvement with the erection of the warnings. Major A. MacKenzie, M.P.P., wrote that the department has planned "to go along with the adjacent municipalities of King and Whitchurch townships and pay 50 percent of the cost of the construction of sidewalks from the school to the King sideroad". It also plans to have painted school crossing strips.

President McCarron said the signs are only valuable if operated on schedule. The department does not approve of them being open one minute beyond their actual use, he said. Otherwise the public disregards their purpose.

Talk of School Area

The formation of Whitchurch township school area and the use of portable buildings were emphasized as possible methods to meet school problems facing ratepayers of S. S. 13, Whitchurch. There was a feeling that immediate pressure should be brought in the township council to seek means to alter the section boundaries to include the land east of Yonge St., now a portion of Union section No. 1 of King and Whitchurch.

It was pointed out that the boundaries had been legally set up by an arbitration board, which gave 30 days to appeal the decision. According to the school act no change could therefore be made within five years.

Results could be achieved by the operation of the school area, said Mr. McCarron. Education

in their first year away from the roar of the crowds, in any event, Harry Milroy, former Sutton Markham star for at least 15 years who retired from the Millionaires roster this year, is playing intermediate T.H.L. this winter, and "Whammy" can still find the net. Memory corner will always hold a place for three great sportsmen who passed to their reward in recent weeks. Bill Snyder, late secretary and treasurer of the Ontario Baseball association, who died in harness at Hamilton, was one of the most efficient executives it has ever been our pleasure to meet. He was "Mr. Baseball" for many, many years and he could give you a decision pretty fast, via phone, wire, or letter. O.B.A. decisions were handed out the fastest of any amateur decisions. Haskett, Nighswander, James, Simmons, and all the other North York baseball enthusiasts can tell you how accessible he was by phone at all hours. His shoes will be hard to fill.

At Kingston Alfie Pierce, venerable colored mascot and assistant trainer of Queen's University football teams will be missed by the entire Tricolor student and faculty body as well as the thousands of men and women who thrill to the sound of "Cha Giel, Cha Giel". A great athlete in his day, Alfie was a fixture with the team and as long as he was able, led the Queen's U teams on the field. He had a great memory and could recall all "his boys" years after their college days, despite never having seen them for quite a time.

HASH

Marbles and skipping ropes are out. It's play-off time in hockey. This is an important week for the Spits. Boils down after all the semaphoring wig-wagging to Shipbuilders from Collingwood and Spits for the Big Seven Int. A crown.

Bit grim for a time for the Mollymen after losing two to the Shipbuilders. They wormed back in by hurling Midland "Flyers" in two straight. Features of last Thursday 2-1 was a close checking duel; Al Shewchuk's puck lugging paid off for the winning goal.

Seemed evident from where your observer sat that the Midland coach sent his boy, Adams, out deliberately to get Al Shewchuk out of the game in final minutes. It worked to the extent of two minutes but that was one penalty Al Shewchuk didn't deserve.

Shots on net were Newmarket 29, Midland 24. Spits came back singing the praises of "Fink" Tunstead for his work at Midland. "Fink" fired the winning goal in the 7-6 triumph. He snaked his way through the entire Midland team. Spits were two men short at the time, to take Midland goalie, Gagnon, right out of his sweater.

Whisperings: Lions may default their annual game with the Optimists this winter, we're told. Are the Lions going chicken or maybe those jibes to watch out for Corrigan and Warner had a telling effect.

We're told Keith Nisbet, Aurora Highlands golfer, has been made a director of the Ontario Golfers Assoce. Slipped our mind, but did you notice in the recent home and home set with Owen

Official report: Some time ago we mentioned arenas association was investigating why and wherefore of drop in hockey attendances. Part of the report was filtered through. Here's some of the reasons they mention: schedules are too long; teams not evenly matched, so the choosy fans wait until the right opposition comes along; calibre of hockey is not as sensational as in years gone by; too much ganging, not enough stick-handling; admission prices too high, out of proportion with the ability of cash customers to dig up the fare.

Another reason: they bring up more and more rinks springing up; means the fans are staying around home to support home or close-by teams. Don't even mention our favorite pence, "late starts".

Both games have been decided by a one goal margin. At home the Indians appeared to have received a knock-out punch as Wheeler surprised with a 4-3 win. Monday the Indians went back on the warpath to turn the tables on Wheeler 5-4 on their home ice at Woodbridge.

In the series starter Don Fulerton, Wheeler wingman, golfed in a shot half-way through the finale, his second of the night, to shatter a three-all tie and give Wheeler's 4-3 edge. Jim O'Hearn batted in a first period tally, as Aurora scored at a goal a period clip. Jim had help from Harry Morrison and Bill Mundell on this one.

Rex Bailey working in cahoots with Bill Patrick accounted for the second Aurora counter. Grant Firth tipped in a Don Will pass up for the third period counter. Aurora lacked direction in its shooting and had trouble with strong Wheeler blue-line force.

Monday a three-goal second period provided the main cog in the Indians tying the series. Keith Wardell, Laurie Thoms and Grant Firth gave Aurora a one-all in round one, with Wardell doing the actual shooting. Laurie Thoms from Jim O'Hearn, Jack Rummey from Bill Smith and Bill Patrick and Harry Morrison unassisted were the Aurora second period scoring play.

Harry Morrison with Bill Mundell and Jim O'Hearn the pass supplier fired what proved to be the winning goal at 14:08 of the third.

Aurora D's Lose First Of Their Group Finals

Despite a fast and furious stretch drive that pulled them within one of the equidistant, Andy Closs' Aurora D'Cubs lost a tough 8-7 decision to Orono "Orons" at Aurora arena Tuesday. The black side of this surprise dumping is the fact it was the first game of the group finals.

That leaves the Closs kids faced with the task of winning in Orono tonight. Thursday, or picking up its hockey gear, the group finals being settled on a two-out-of-three basis. In their stretch drive the Cubs flushed a slinging attack outscoring Orono 4-4 and had Aurora arena, with the largest crowd in some time, in an uproar. Defensive lapses and a couple of "softies" enabled Orono to take off with a 7-3 over the first two checkers.

Scanning the scoring account, Grant Edwards and Don Clayton cuffed in a pair each, neat as you please. Then we come to one goal lads Chris Wansborough, Arnie Barber and Andy Closs, Jr. Arnie's column shows Closs, Jr. with two, Arnie Barber and Bobbs Cook with one each.

Orono number one asset was Ray West who smacked in two goals and worked his head off to supply three pay-off passes.

Archers Are Active At The High School

Along with the most of us, Newmarket Archers are looking forward to the true arrival of spring. Meanwhile club members are keeping hand and eye in good trim by means of short range target practices. These are carried out at the high school on Monday and Wednesday evenings.

Monday starting time, 7:30 p.m. is devoted to teaching and getting juniors and beginners started. If you have a mind to take up this healthy sport come right along, any Monday and the archers will even lend you equipment for a start.
